## ARE YOUR ITEMS STILL IN GOOD CONDITION ? THINK ABOUT DONATION !

Furniture, lighting, household appliances, bicycles, games, childcare equipment...

Give them a second life by donating them, let's go to **Ressourcerie** :

Du Pays de Gex

- Second hand drop-off Point at the Saint-Genis-Pouilly Waste collection center  
Tuesday afternoons, Wednesdays, Fridays and Saturdays,  
9:00 am to 12pm and 1:45pm to 5:00 pm
- Drop off your items directly at the Ressourcerie in Ornex
- Take the opportunity to visit the store in «La Ressourcerie»,  
and hunt for second hand items !

If they're too bulky, and to remove them, contact the Ressourcerie for a home appointment.

For more information, contact La Ressourcerie du Pays de Gex  
at 04 81 50 02 51 or: [ressourceriepaysdegex@alfa3a.org](mailto:ressourceriepaysdegex@alfa3a.org)

### A NEW ONLINE STORE FOR SECOND-HAND ITEMS

[iletait2fois.org](http://iletait2fois.org) offers second-hand objects and furniture collected in the Pays de Gex.

## CONGRATS ON YOUR EFFORTS TO SORT !

Since 2023 January, **sorting has made easier in Pays de Gex, as in the rest of France**. This simplification removes any doubts about what can be sorted.

### QUANTITY OF PACKAGING SORTED

January to June 2023 compared with 2022

Despite these good results, and they should be encouraged, **sorting errors are still being made**. Some may simply soil the packaging while others can **cause incidents in the sorting center**, and **even injuries** to collection and staff.

### SIMPLE GESTURES TO OPTIMIZE PACKAGING RECYCLING :

- No need to wash them, just empty them
  - Lay them flat to save space
- Do not overlap them
- Do not tear paper into small pieces

## HOUSEHOLD WASTE COLLECTION

Please put your bin out **the evening before your collection day**.

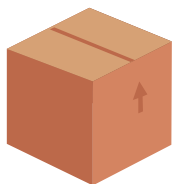

A bin which has been overfilled or with bags next to it **counts as 2 collections**.

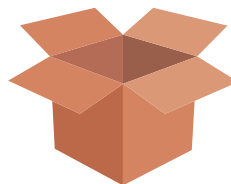

Please do not leave bags, bulky items or cardboard boxes next to the container; **doing so may result in a fine and clean-up costs**.

## ADMINISTRATIVE PROCEDURES

Notify us quickly, with the necessary supporting documents, **so that your account can be closed**. The bill for the outstanding balance will be sent to your new address. **The bin and/or badges should be left in the property you're leaving.**

Notify us as soon as possible, **even if it's within the same commune, in order to open an account for the new address**, check what equipment is already there (bin and/or badges) and activate them for future collections.
